HOW DO I PURCHASE A MEMBERSHIP?

The only way to start one of our membership programs is if you have our app and sign up through our app. Scan the QR code above and sign up.

I BOUGHT A MEMBERSHIP - NOW WHAT?

Congrats! Be sure to show our staff the proof of purchase and we will update your profile in our system to let staff members aware of your status.

DO SERVICES ROLL OVER IF I DO NOT USE THEM?

Unfortunately monthly perks **do not** roll over if they are not used. Memberships help ensure you stick with a regimen for results!

CAN I STACK DISCOUNTS ON TOP OF MY MEMBERSHIP?

No, you are unable to use your healthcare, first responder, teacher etc discounts on top of your membership perks. This rule also applies to any monthly specials outside of memberships.

CAN I TRANSFER MY MEMBERSHIP PERKS TO SOMEONE?

No - services, perks and discounts cannot be used for any other person besides the person who has the membership.

CAN I CANCEL AT ANY TIME?

Unfortunately, you cannot cancel the contract until the **6 month minimum** is met. It is then that you can decide to renew, upgrade or cancel.
